

InfoSec SIG @ KJSSE

FLAG OF THE DAY

FOTD #02

Off the Map

CATEGORY	OSINT, Web
----------	------------

DIFFICULTY	Very Easy
------------	-----------

DATE	18/09/2026
------	------------

FLAG FORMAT	INFOSEC_SIG{...}
-------------	------------------

DESCRIPTION

2 InfoSec SIG heads recently built an app for navigating buildings in 3D.

The map shows you where people may go.

But some paths aren't meant for people at all.

Ask the one who crawls the web what it has been told to ignore.

Talk is cheap, Send flags.
