------------	-----------

DATE	19/09/2026
------	------------

FLAG FORMAT	INFOSEC_SIG{...}
-------------	------------------

ATTACHMENT	https://ctf-fotd1.vercel.app/
------------	---

DESCRIPTION

A developer says their demo page contains no sensitive information. Your task is to inspect the page source and determine whether anything useful was left behind. Investigate and recover the flag. Submit the flag exactly as found, preserving capitalization, punctuation, and braces.

Talk is cheap, Send flags.
